### Machines for textile, paper & other materials

#### Band saw to the textile, other materials

Belt knives sharpening machine BPN 2510 / BI	on demand
Band saw BR 1100 L - for cartonnage, paper	on demand
Pila BR 1100 L - with air-cushion	from Eur 5076.3,- net of VAT
- Frequency modulation - speed of knife	on demand
- Ventilator new	on demand
- Ventilator repased	on demand
- External dust-exhaust	on demand
Band saw BR 1100 L	from Eur 4355.9,- net of VAT
- Frequency modulation - speed of knife	on demand
- Air-cushion	on demand
- Ventilator new	on demand
- Ventilator repased	on demand
- External dust-exhaust	on demand
Band saw BR 180 L	from Eur 3839,- net of VAT
- Frequency modulation - speed of knife	on demand
- Air-cushion	on demand
- External dust-exhaust	on demand
Double wheel belt saw BR 35 PP / BI - new type	on demand
Band saw BR 50 - with fluent speed control knives	from Eur 2415.3,- net of VAT
- Air-exhaust	on demand
- Light	on demand
- Exhaust from grinder	on demand
Band saw BR 50	from Eur 1991.5,- net of VAT
- Air-exhaust	on demand
- Frequency modulator	on demand
- Light	on demand
- Exhaust from grinder	on demand
Saw BR S1 - horizontal belt drink to the cartonnage, paper	on demand
Band saw Hoffman HF-200T/1100 - big triple wheels band saw for textile cutting	only service

Band saw Hoffman HF-200T/500 MINI - small triple wheels band saw for textile cu	only service
Band saw Hoffman HF-200T/750 - middle triple wheels band saw for textile cuttin	only service
Band saw Hoffman HF-200T/750 - middle triple wheels band saw for textile cuttin	Eur 2542.4,- net of VAT
Belt saw PL S 4 - repased	on detail
- 1) PRS4 - after basic repair	
- 2) PRS4 - 1 + new trestleboard(desk)	
Belt saw RS 1100 - repased	on d0on detail
- 1)RS1100 - after basic repair	
- 2)RS1100 - 1 + new trestleboard(desk)	
Production new, repass magged wheels	on demand
Servis and repass all type of band saw	on demand
Vertical band saw KB 3000	not available
Vertical band saw VP 90	Eur 3728.8,- net of VAT
Band saw VP 90E - speed adjustable 5-20m/s	Eur 4152.5,- net of VAT

### Desks for upholstery works, finishing, knitting, spreading, lay end-cutting machines

Automatic line for the production of protective mask	on demand
Automatic line for the production of protective mask	on demand
Portal cutting with chaff-cutter CS20 and clipping KM RS 100	on demand
Chaff-cutter CS 20 give upon portal - transverse cutting superimposed matters	on demand
Ultrasonic chaff-cutter give upon portal - transverse cutting superimposed matte	on demand
Cross cutting modulus for foam material EPE cutter	Eur 1608.1,- net of VAT
PS - 1	on demand
PS - 1/2	on demand
PS - 1A	on demand
PS - 2	on demand
PS - 3 Super	on demand
PS - 3 Super El.	on demand
PS - 4	on demand
PS - 5	on demand
PS Special	on demand
Portal angle cutting PRS â€" P3 A to angle cut soft foam	on demand
Chaff-cutter give upon linear lead, lower suspension	on demand
Chaff-cutter give upon linear lead, top suspension	on demand
Cutting in moulding without stratification (superposed)	on demand
Cutting in moulding with stratification (superposed)	on demand
Cutting in moulding with stratification (superposed)	on demand
Cutting in moulding with stratification and unwinding manger	on demand
Cutting in moulding in multiple fulfillment	on demand
01024000 Round knife cloth cutting machine YJ-D108A (uni)	Eur 673.7,- (net of Vat)
Cutting in moulding, motory drive chaff-cutter KM RS 100	on demand
Cutting in moulding, motory drive chaff-cutter, belt conveyor	on demand
Servis and repass of all type and brands upholstery desks, tables	on demand

### Perch, rewinding machines, packing machine

Automatic rewinding, admeasurement, cutter and baling machine N-A3/IF	on demand
Winding and folding machine for nonwovens	on demand
Winding machine NS1	on demand
Winding machine NS2	on demand
Perching and rewinding machine PS-C1/T1	on demand
Rewinding and measuring machine PS - 4 / FX	on demand
Perching and rewinding machine PS3/GA	on demand
Wire winder with sorting RBP-DR1	on demand
Perching and rewinding machine PS2H/MIL	from Eur 11652.5,- net of VAT
Perching and rewinding machine PS-1M/1500	on demand
Cutting machine PSK 600	on demand
Winding and folding machine for nonwovens	on demand

### Transfers machine, thermosublimating machine, transfer print, heat press

Transfer application machine AT-1 M (manual labels insterion, heavy duty)	from Eur 7839,- net of VAT
- AT-1M - transfer printing applicator (manual labels insterion, heavy duty)	Eur 7627.1,-
- + basic application punch	from Eur 182.2,-
- + application punch for relief materialsation punch for relief materials	from Eur 303,-
- + application form punch (shoes, ropes etc.)	from Eur 593.2,-
- + positional pattern (1 pattern for 1 product)	Eur 190.7,-
- + positional pattern Duo (label + product)	Eur 423.7,-
- + desk modification for quick pattern change	Eur 381.4,-

- + vacuum feedy table for mat. hold	Eur 1610.2,-
- + automatic value change (pressure, time, temp.)	Eur 2542.4,-
- + pneu. el. desk position indexing	Eur 508.5,-
Transfer application machine AT-1 ME (manual labels instertion, heavy duty, full	from Eur 14830.5,- net of VAT
- AT-1ME - transfer printing applicator (manual labels instertion, heavy duty, el.	Eur 14830.5,-
- + basic application punch	from Eur 182.2,-
- + application punch for relief materials	from Eur 303,-
- + application form punch (shoes, ropes etc.)	from Eur 593.2,-
- + positional pattern (1 pattern for 1 product)	from Eur 190.7,-
- + positional pattern Duo (label + product)	from Eur 423.7,-
- + vacuum feedy table for mat. hold	from Eur 1610.2,-
Transfer application machine AT-3 (automat. unreeling)	from Eur 25423.7,- net of VAT
- AT-3 E - transfer printing applicator (aut. unreell)	Eur 25423.7,-
- + basic application punch	from Eur 207.6,-
- + application punch for relief materials	from ur 360.2,-
- + application form punch (shoes, ropes etc.)	from Eur 593.2,-
- + laser gauging	Eur 381.4,-
- + positional pattern (1 pattern for 1 product)	Eur 233.1,-
- + vacuum feedy table for mat. hold	Eur 1610.2,-
- + pulleys and coil kit	Eur 173.7,-
Transfer application machine AT-3 E-CAM (automat. unreeling, as E ver. + IR came	from Eur 73093.2,- net of VAT
- AT-3 E-CAM - transfer printing applicator (aut. unreell, E + camera)	Eur 73093.2,-
- + basic application punch with chip	from Eur 194.9,-
- + application punch with chip for relief materials	from Eur 315.7,-
- + positional pattern with chip (1 pattern for 1 product)	Eur 211.9,-
Transfer application machine AT-3 EOS (automat. unreeling, with carousel - high	from Eur 76694.9,- net of VAT
- AT-3 OS - transfer printing applicator (aut. unreell, carousel)	Eur 76694.9,-
- + basic application punch	from Eur 182.2,-
- + application punch for relief materials	from Eur 303,-
- + positional pattern (1 pattern for 1 product)	Eur 190.7,-
- + Ifra red camera	Eur 8898.3,-
Transfer application machine AT-3 ME (automat. unreeling, full eletronic version	from Eur 28813.6,- net of VAT
- AT-3 ME - transfer printing applicator (aut. unreell, EI. version)	Eur 28813.6,-
- + basic application punch	from Eur 182.2,-
- + application punch for relief materials	from Eur 303,-
- + application form punch (shoes, ropes etc.)	from Eur 593.2,-
- + laser gauging	Eur 381.4,-
- + positional pattern (1 pattern for 1 product)	Eur 190.7,-
- + vacuum feedy table for mat. hold	Eur 1610.2,-
- + pulleys and coil kit	Eur 173.7,-
Transfer application machine AT-3 NC (automat. unreeling, fully automatic, NC)	od detail (from Eur 39406.8,- net of VAT
- AT-3 NC - transfer printing applicator (aut. unreell, NC)	Eur 39406.8,-
- + basic application punch	from Eur 182.2,-
- + application punch for relief materials	Eur 303,-
- + positional pattern (1 pattern for 1 product)	Eur 190.7,-
Small transfer application machine AT-MT (manual label insertion)	from Eur 6355.9,- net of VAT
- Basic modul of aplicator AT-MT	Eur 6355.9,-
- + vacuum with movable desk for AT-MT	Eur 1186.4,-
- + laser for AT-MT	Eur 381.4,-
- + positional pattern (1 pattern for 1 product)	Eur 190.7,-
- + positional pattern Duo (for label and product)	Eur 423.7,-
- + table with frame for AT-MT	Eur 84.7,-
- + basic application punch	from Eur 182.2,-
- + application punch for relief materials	from Eur 303,-
- + application form punch (shoes, ropes etc.)	from Eur 593.2,-

## Machines for flexible foam & other foam

### Band saw for foam material

BR 15 and BR 16 - angular band saw for PUR	not available
BR 800, BR 1000, BR 1500 (MP), BR 2000, BR 2100 (MP), BR S1 PUR were replaced by	not available
PRS 4 - repassed, modification vertical band saw	on demand
RB 35 MP - small vertical PUR band saw (for small parts cutting)	on demand
RB-HP SPEC. - special horizontal band saw with vertical sliding	on demand
RB-HX 1100 - horizontal bandsaw for PUR	on demand
RB-V 600 - vertical band saw without sliding desk	on demand

RB-VP 1100 - vertical band saw with sliding desk and two squares (luxury)	on demand
RB-VP 1300 - vertical band saw for PUR	on demand
RB-VP 1400 - automatic vertical band saw (cutting and formatting)	on demand
RB-VP 1400 - automatic vertical band saw (cutting and formatting)	on demand
RB-VP 600 - vertical band saw with sliding desk	on demand
RB-VP 600/G - special vertical band saw for graphite blocks cutting	on demand
RB&Euml;HX 300 - horizontal manually movable bandsaw for PUR	on demand
Production new, repass magged wheels for polyurethane and other soft foam saw.	on demand
Servis and repass all type of band saw	on demand

### Splitting, keyseater machine for foam, rubber

Keyseater for foam DRPE 01	on demand
Peeling machine - horizontal band saw RB LS-1400	on demand
Splitting convoluter machine for foam ( roll splitter, roll-stock-splitter)	on demand
Splitting machine BR 1200 G	on demand
Splitting machine for foam plastics HDP - 1400 (roll-stock-splitter)	on demand
Band saw cutting machine SVIT L18100 - bazaar	on demand
-	on demand
-	on demand

### Industry styrofoam cuttng machines, machines for ps, eps, xps

CNC styrofoam cutting machine PYNC-1 (PC control, multiple cuts)	on demand
Horizontal multiple hot wire cutting machine POLYTER 1 for styrofoam block forma	on demand
Horizontal multiple hot wire cutting machine POLYTER 2 for styrofoam block forma	on demand
Hot wire saw for polystyrene blocks cutting with inclinable workspace RPN	on demand
- Hot wire saw (inclinable workspace) RPN Basic	Eur 1063.6,-
- Hot wire saw (inclinable workspace) RPN 500	Eur 2275.4,-
Heat profile EPE cutting machine HTM &acirc; 1 / RD	on demand

### Other machine for foam (visco, polyurethane, sytrofoam etc.)

Compression machine KS-1200 (roll mattress packer)	on demand
Machine for mixture MP RL-1	on demand
Belt conveyor PD	on demand
Belt conveyor with compressor PDK	on demand
Worm conveyor DS6000S	on demand
Worm-conveyor for loose material	on demand
Worm-conveyor for loose material - bazaar	on demand
Perforating machine for Visco foam DSP / RL	on demand
Special sealing machine AT-1 - PUR	not available
Visco and memory foam fill form NFM / RL	on demand
Visco foam fill form VFP / RO	on demand
High pressure polyurethane dosing machine ELASTOGRAN PUROMAT PU 80 for Visco foa	not available
Machine for extraction block from form VBF / RO	on demand

### Grinders, shredders for foam

Cyclone with fan incl. accessories HAMSTER ASPIRATOR for horizontal milling mach	Eur 678,- net of VAT
Crawler DS 75	not available
Grinder for foam and soft foam DPH - 10S with crossways knives (for foam grindin	not available
- Cyclone	on demand
- Ventilator	on demand
- Special hose	on demand
- Filter, fixative shackle	on demand
Milling machine, grinder for polystyrene HAMSTER 5 (for foam grinding, milling)	Eur 3059.3,- net of VAT
Milling machine, grinder for foam and polystyrene HAMSTER 7 (for foam grinding,	Eur 3144.1,- net of VAT
Grinding machine with hammers RBX MS 75 for foams (out up to 350 kg / h)	on demand
Sieves for Hamster	from Eur 22.9,- net of VAT
- Sieve 10 x 10 mm for Hamster	Eur 25,-
- Sieve 16 x 16 mm for Hamster	Eur 24.2,-
- Sieve 20 x 20 mm for Hamster	Eur 22.9,-
- Sieve 25 x 25 mm for Hamster	Eur 22.9,-
- Sieve dia. 6 mm for Hamster	Eur 27.5,-
- Sieve dia. 8 mm for Hamster	Eur 27.5,-
- Sieve dia. 10 mm for Hamster	Eur 27.5,-

### Recycling machines for PUR, PE

Recycling line RBX-930/2030-140/200	not available
Recycling line RBX-930/2030-160/190 - new version	on demand
Recycling line RBXS - new new version	on demand

### Other machinery, custom, made special machines

## Roll Slitting Machine - tapes from roles cutting

Paper tube divider RBRD-2 (diameter up to 500mm, wall thickness up to 35mm)	on demand
NC controlled full automatic machine RBP - NC for precision transverse cutting	on demand
Paspulator - cutting role, chaff - self-generating method PRR-O/MIL	on demand
Paspulator - machine for roles cutting RBP 1500	on demand
Paspulator - machine for cutting role with rewind PPâ€"1/HR	on demand
Paspulator - machine for cutting role with rewind PPâ€"2	on demand
Paspulator PKV-1000 - automatic film roll cutter	on demand
Paspulator PKV-2000 - roll cutter (foil, foam, rubber, textile)	on demand
Paspulator PS 5PP - fast rewinder with longitudinal division of rolls (when rewi	on demand
Papulator RB PP-2 - roll cutting while rewinding	on demand

## Next special custom made machinery

Automatic tape divider DPR-4	on demand
Remake of fully automatic face mask production line	on demand
Automatic pre-cutting of self-adhesive felt on paper carrier ASP-1J	on demand
Automatic machine to cut ceramic cylinder	on demand
Automatic machine to cut plastic materials	from Eur 1536,- net of VAT
Automatic machine to cut plastic materials - special blades	Eur 3504.9,- net of VAT
Tie dicing machine DPR 2 - for rubber textile materials and velcro fastener port	on demand
Cutting, separatory funnel sling, ropes	Eur 8762.7,- net of VAT
Cutting, separatory funnel sling, ropes	Eur 6711.9,- net of VAT
Cutting, separatory funnel sling, ropes - for HSG 00	Eur 893.6,- net of VAT
- Unwind reel	Eur 264.2,-
Saw, separatory funnel to the plastic conduit BRX 1000 - 1600	on demand
Handling trolley for rolls (large packaging) up to 1000 kg	on demand
Agitator for loose material (mixture machine)	on demand
Turntable on spray cathartical swab textile	on demand
Machine for package mops	on demand
NoName tape and velcro cutter overhaul - for automatic velcro cutting	on demand
Cutting machine for pared plastic part KRP 1 / ABB 1	on demand
Cutting machine for pared plastic part KRP 2 / ABB 2	on demand
Cutting machine for pared plastic part KRP 3 / ABB 3	on demand
Suture, stitching roles, roll (textile material) - low	on demand
Suture, stitching roles, roll (textile material) - big	on demand
Suture, stitching roles, roll (textile material) with cutting	on demand
Jigsaw of small medical drapes SK-600/HR	on demand
Ultrasonic NC machinery	on demand
Ultrasonic welding machine for plastic profile	on demand
Automatic tape divider DPR-4	on demand
Welding machine SVS/EF for filter materials	on demand
Technological set machine for chemical, medical industry	on demand
Cutting press IC KLEINEWEFERS (Germany)	on demand
Stacker of plastic part ZPD 1 - fulfilment with cutting shear	on demand
